

Filing Flight Plans - ICAO vs Domestic - Clear Up the Confusion

Clear up the confusion on filling out the new ICAO (International Civil Aviation Organization) flight plan form and the reasons for doing so vs. the Domestic flight plan form. If you expect routing or separation based on performance based navigation, for example, RNAV-based routes, departures, and arrivals, filing the ICAO format is the way.

Directions: Located at Sugar Land Regional Airport (SGR), Anson Aviation. Turn off Hwy 6 S. onto Terminal Ln, turn first left onto Jim Davidson Rd. and drive to first parking area on the right in the General Aviation Area.
